

ACCESS² PREPARATION YEAR (ENGINEERING)

ADMISSION REQUIREMENTS

Academic Requirements

The university entrance qualification from your home country (Bachelor, GCE-A-level, Baccalaureat, Matura, High School Diploma, etc.) needs to be accredited by Studienkolleg Konstanz - Center for International Students or uni-assist.

Please start early enough with this step as the processing of your documents will take several weeks!

In the case that there are more applicants than places, applications will be ranked according to the overall grade average of their university entrance qualification.

Alternatively:

Engineering and IT profile: Applicants whose qualification gives them access to Studienkolleg/FSP can apply with an official result report from either of the academic aptitude tests: the SAT, TestAS (engineering module) or ITB Technology.

Language Requirements

Technical preparation in English:

English language skills:

TOEFL min. 550 points (paper-based), min. 213 points (computer-based), min. 79 points (internet-based), Cambridge Certificate CAE (Certificate of Advanced English) min. Grade C, TOEIC min. 730 points, IELTS Level 6.0 overall band score or Oxford Test of English with 120 points and level B2 in overall modules

The TOEFL code of Heilbronn University is 2751.

Alternatively, recognition of secondary school education in English or at least one year of studies in higher education in English.
