Declaration of consent to the processing of personal data

(1) I expressly consent to my application documents being processed by Heilbronn University of Applied Sciences as part of the selection procedure for a scholarship "Technology studies with world market leaders".

(2) Furthermore, I am aware that other members of the university and, if applicable, representatives of private sponsors will be involved in the selection of scholarship holders and will receive my application documents. Any commercial use of my data is excluded.

(3) I agree that my data will be stored by Heilbronn University for six years after the end of the scholarship.

(4) In the event that my application is unsuccessful, my application documents will be deleted by Heilbronn University and the parties involved in the selection process after completion of the selection procedure.

application process. Only the applicant's name, degree programme, application semester and address will be stored by Heilbronn University for one year.

(5) This consent is voluntary. However, if consent is not given or is withdrawn, the scholarship applied for cannot be granted.

Declaration of participation

(1) If my application is successful, I hereby declare my participation in the scholarship for "Engineering studies with the world market leaders". I agree that if I am awarded a scholarship, my academic progress after the 1st semester and 2nd semester will be checked by Reinhold-Würth-Hochschule Künzelsau Campus. For this purpose, I will send the scholarship office (stipendienstelle@hs-heilbronn.de) a transcript of records and a certificate of enrolment after re-registration for the 2nd and 3rd semesters. The notification of approval for the scholarship specifies the date by which these documents must be submitted.

(2) Furthermore, I agree to participate in the accompanying programme. The aim of the support programme is for the scholarship holders to get involved in joint activities at the Künzelsau campus in order to strengthen the social community and networking between students. Further aims are to support the recruitment of new students and to establish contacts with Hohenlohe companies. I understand that regular active participation in the social programme is a prerequisite for receiving the scholarship.
